Services in the State of South Carolina.)

Pursuant to his duties, the Chief of the Telecommunications Department of the Public Service Commission of South Carolina (the Commission) has notified the Commission that the Applicant in this matter has failed to file proof of publication by April 19, 1991, or to file testimony by April 30, 1991, as required by the Executive Director's letter and notice dated March 11, 1991. Records included in the Commission's docket file in this matter indicate that on two (2) occasions the Commission Staff spoke with the secretary of the Applicant's representative concerning the Commission's failure to receive the proof of publication and testimony. The Commission notes that the Executive Director's March 11, 1991, letter states that "[f]ailure to comply" with the required proof of publication "may result in the DISMISSAL of your Pleading."

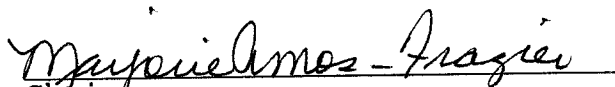

After consideration of the Applicant's failure to submit the required proof of publication and testimony and, further, its
